Meeting started with the welcome note by Dr. P. B. Nagarnaik-Dean IQAC. He introduced the expert members from academics Dr A. Q. Ansari and Dr. S. R. Sathe and welcomes them on behalf of IQAC. Committee members approved the minutes of meeting of last meeting held on 26.10.2021.

Following points were discussed:

1. Dr. P. B. Nagarnaik started presentation on various academic parameters with the minutes of previous meeting and action taken report [ATR].
2. The presentation also included Academic and non-academic achievements of the session 2020-21. Presentation specially mentions the NBA accreditation of 3 Programs CSE, CIVIL & Electrical Engineering.
3. All expert members congratulated the internal members for the accreditation of the Departments of Electrical Engineering, Computer Science & Engineering and Civil Engineering by NBA for three years.
4. Dean IQAC presented the status of Internal Academic Audit conducted. He added that the regular monitoring of the Academic parameters which was done through IQAC and Internal Team of senior faculty members from different Departments carry out an internal academic audit
5. Dr. A. Q. Ansari appreciated the initiative of starting B. Tech. in Data Science in the institute as it is the need of the hour.
6. Dean IQAC also presented the various outreach activities by NSS cell.
7. At the end of presentation Dr. P. B. Nagarnaik opened the forum for discussion on the improvement of overall quality at the institute.
8. Dr. S. R. Sathe informed that he is happy to see the progress making under the Director of institute Dr. Vivek Kapur and senior faculties of Institute and it is really appreciable for organization.
9. Dr. S. R. Sathe suggested about giving industry exposure to the students' to improve their industry linkage towards the growth of their career. He suggested that the students when came to the institute think what path they should choose after the completion of their Graduations, Institute can ask to the students how their CV looks after 4 year of Engineering. So that they will make their interest and accordingly the Institute can arrange the skill programme for the students on priority. This will help the students to track their career in proper targeted way.

10. Mr. Ashish Raj student representative said that we are very proud as a part of the college and it is grate to see our college excelled in every field and various steps that college taking for growth of students.
11. The meeting was concluded with formal vote of thanks.

Dr. P. B. Nagarnaik
IQAC Coordinator

Dr. Vivek Kapur
