Director, GHRCEM Nagpur

Dear All

Greetings from the Director's Office!

I am pleased to know that First Year Engineering Department has published the Annual Newsletter for the session 2024-25.

I congratulate the editor board for the efforts taken to exhibit the activities/achievements carried out by the department towards excellence. It is a newsletter which highlighting the efforts of the students as well as faculty members and also the activities conducted under the First year Engineering Department. This newsletter will help them in continuing their activities/ efforts in achieving the milestones set by them in the upcoming time.

Dean First Year 's Desk

Dr. Manjusha Aware
Dean First Year

It's a matter of great satisfaction to bring forth the newsletter of the First Year Engineering Department for the session 2024-25. The purpose of the newsletter is to make everyone aware with the activities carried out throughout the year and to acquaint all with the achievements of the students and faculty. This is our small venture and I believe this will help us in identifying the areas which we need to improve. It will help us in providing proper guidance to our budding engineers.

I appreciate the efforts put forth by the editorial board to bring out this Newsletter
