Action Taken Report on Minutes of Meeting of IQAC held on 24th May 2025

Sr. No.	Suggestions Given	Action Taken
1	The members suggested that there should be improvements in the placements.	Placement statistics for the Session 2024–25 till date for all programmes were formally presented to the expert members for tracking and evaluation.
2	The members encouraged continuing high-quality research contributions, expert-led training, and institutional networking events.	The institute successfully organized the Scopus-indexed ICACTA-25 conference (156 papers presented) and finalized preparations for the upcoming ICACEBD-25 conference (100 papers accepted). Additionally, the campus hosted the Techkrunch 2K25 festival, expert guest lectures, and FDPs in association with IIT Roorkee and NIT Warangal.
3	The members emphasized sustaining student and faculty development programs alongside tracking academic achievements.	The institute executed 102 student activities engaging 5,627 participants. Faculty achievements—including paper and book publications, copyrights, NPTEL certifications, and FDP/STTP attendances—were systematically documented and presented.
