Report on "Coding Club Induction Session" Dt. 27/08/2026

The **Coding Club of the Department of Computer Science and Engineering** at **G H Raisoni College of Engineering and Management (GHRCEM), Nagpur**, organized an **Induction Session** for the newly admitted first-year students. The session was designed to introduce the freshers to the **Coding Club**, its activities and objectives, and to familiarize them with the basics of **C Programming Language** as the foundation of computer science.

The event saw enthusiastic participation from the first-year students, who were eager to learn and explore the world of coding. The session began with the Coding Club members giving an overview of the **Coding Club**, its vision, and the various activities and opportunities it offers to students. This was followed by an interactive session on **C Programming Language**, covering its basic concepts and structure in an interactive and beginner-friendly manner. Practical examples and visual demonstrations helped the students easily relate to the concepts.

A highlight of the event was the **quiz competition** held at the end of the session to test the students' understanding of the concepts taught. The quiz witnessed enthusiastic participation, and the **winners were felicitated with exciting rewards and gifts**, which motivated the students and encouraged healthy competition among the participants.

A special thanks to **Dr. Vivek Kapur, Campus Director of GHRCEM**, for his constant support and encouragement. The event was organized with the constant support of **Dr. Achal Shahare, Director of GHRCEM**, whose encouragement greatly contributed to its success. The guidance of **Dr. Sonali Ridhorkar Mam, Head of CSE Department**, further motivated the students to participate in Coding Club activities. The session was conducted under the guidance of **Dr. Ravindra Kale Sir** with the dedicated efforts of the **Coding Club Coordinators**, whose teamwork ensured the event's success.
