GH raisoni COLLEGE
Engineering and Management Nagpur

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING (CYBER SECURITY)

PRESENTS

VISTA 2.0:THE PERSPECTIVE

2024-25

It is with great pleasure and pride that I welcome you all to G H Raisoni College of Engineering and Management, Nagpur (GHRCEMN) through the pages of this edition of our college magazine.

In today's rapidly evolving technological landscape, the boundaries of innovation are constantly being redefined. The pursuit of excellence and a strong commitment to quality education play a vital role in nurturing minds capable of thinking beyond conventional boundaries. At GHRCEMN, we strive to create an environment that encourages curiosity, creativity, and critical thinking. Our mission is to transform young, aspiring individuals into professionally competent technocrats who are not only industry-ready but also prepared to meet the dynamic challenges of society with confidence and responsibility.

Shri. Sunil Raisoni
Chairman, RGI

The institute is driven by a vision of contributing to nation-building by nurturing skilled and responsible professionals. With dedicated, experienced faculty, state-of-the-art laboratories, a well-equipped library, and modern workshops, GHRCEMN offers an environment that promotes holistic development and academic excellence.

As you explore this magazine, may you be inspired by the creativity, achievements, and spirit of innovation within its pages. I extend my best wishes to all students for a future filled with knowledge, growth, and success.

MESSAGE FROM THE DIRECTOR'S DESK

Dr. Vivek Kapur

Director-GHRCEMN

As the Director of G H Raisoni College of Engineering & Management, Nagpur(GHRCEMN), I am immensely proud to witness the remarkable achievements and contributions of our Department of Computer Science & Engineering (Cyber Security). Their initiative in crafting the "Vista 2.0" magazine reflects their dedication to fostering a vibrant academic community and showcasing the excellence within our department.

"Vista 2.0" stands as a testament to the creativity, diligence, and collaborative spirit of our faculty and students. Through its well-designed layout and detailed coverage, it captures the dynamic range of events, innovations, and accomplishments that enrich our academic ecosystem. From highlighting research endeavors to celebrating student and faculty milestones, this magazine serves as a vibrant chronicle of the department's continuous journey toward excellence.

I extend my heartfelt appreciation to the entire team behind "Vista 2.0" for their tireless efforts in capturing the essence of our department's vision. Their commitment to producing a high-quality publication is truly commendable and reflects their passion for academic engagement and community building. I congratulate them on their outstanding work and look forward to the continued growth and impact of the Department of Computer Science & Engineering (Cyber Security).

MESSAGE FROM THE HOD

Dr. Priti Bihade

Head of Department

Computer Science & Engineering (Cyber Security)

With great pride and enthusiasm, I present to you Vista 2.0 — the 2024–25 edition of the Department of Computer Science & Engineering (Cyber Security) magazine. This edition reflects the vibrant spirit of our department — a space where innovation, curiosity, and a passion for securing the digital world come together.

Inside Vista 2.0, you'll find insightful articles by our students exploring the latest trends, technologies, and challenges in cyber security. The past year has been marked by dynamic growth — from expert sessions and workshops to student-led research that bridges theory with real-world application.

What makes this edition special is how our students have moved beyond understanding concepts to applying them in meaningful ways. Their efforts reflect the future of cyber security — skilled, thoughtful, and impactful.

As you turn these pages, I invite you to celebrate their journey and our shared mission to learn, lead, and innovate in the digital age.

Explore Vista 2.0 — where innovation meets the future of digital security.

IN-CHARGE'S REFLECTION

Aashish jagneet

Assistant Professor

Computer Science & Engineering

(Cyber Security)

I'm excited to present Vista 2.0, the 2024–25 edition of our department magazine — a reflection of the innovation, creativity, and dedication within the Department of Computer Science & Engineering (Cyber Security) at G H Raisoni College of Engineering & Management, Nagpur (GHRCEMN).

In today's fast-evolving digital world, Vista 2.0 offers a glimpse into the latest in cybersecurity — from student articles and research highlights to key departmental achievements.

What sets this edition apart is the collective effort behind it. The passion and teamwork of our students and faculty have made Vista 2.0 more than just a magazine — it's a symbol of academic unity and vision.

As you explore its pages, you'll find insights into emerging threats, evolving technologies, and the bold ideas shaping our field.

A big thank you to the editorial and design team for bringing this vision to life.

Welcome to Vista 2.0 — and to the future of cyber security!

RSOC 2025

The Department of Computer Science & Engineering (Cyber Security), GHRCEM Nagpur, organized the Raisoni Summer of Code (RSOC) 2025, a six-hour hackathon held on 3rd April 2025 at the Poly Auditorium, Block A. The event was inaugurated by Dr. Vivek Kapur, Director GHRCEM, in the presence of Dr. Priti Bihade (HOD, CSE–Cyber Security) and faculty members. With participation from over 250 students, RSOC 2025 highlighted teamwork, technical excellence, and innovation at GHRCEM.

RSOC 2025 featured five problem statements in Cyber Security, AI/ML, and Web Development. Participants worked under mentor guidance and presented their solutions before an esteemed panel comprising industry experts and GHRCEM faculty. The event concluded on an inspiring note, with special acknowledgment of Mr. Saurabh Vyas (Faculty Coordinator) and the organizing team for their dedicated efforts.

Academic Partnernship with EC-Council

The Department of Computer Science & Engineering (Cyber Security), GHRCEM, organized various activities under its student forum to provide learning and growth opportunities. These activities included seminars, expert talks, hands-on workshops, and innovative events where students actively participated and enhanced their skills. Each program was designed to bridge academic learning with practical exposure, motivating students to explore new areas in cyber security and allied fields.

A major highlight was GHRCEMN becoming an EC-Council Academia Partner, adding significant value to the department. This recognition enabled international certifications, training, and industry-oriented learning, benefiting students academically while preparing them for global cybersecurity challenges. It ensured holistic student development and strengthened the department's vision.

CYBETANT

The Forum of Computer Science & Engineering (Cyber Security) at GHRCEMN serves as a platform for students to enhance their technical, managerial, and leadership skills. It organizes events, expert lectures, workshops, and competitions to promote knowledge sharing and industry interaction. The forum also encourages active student participation, fostering innovation and teamwork within the cyber security domain.

Major Work

- Expert Lecture on “Ethical Hacking” by Mr. Amol Rangari (Cognizant, Pune) — included types of hackers, hacking tools, and a hands-on Nmap session.
- Guest Lecture on “Future in Cyber Security” by Mr. Allen Abrahim (Director, Sicrama Pvt. Ltd., Nagpur) — guided 158 students on industry expectations and career opportunities.
- Forum Installation - graced by Dr. Ravinder Kumar Singal, IPS and Ms. Pooja Lohi, with motivational speeches and coverage in local newspapers.

INSTALLATION OF FORUM - CYBETANT

On September 10, 2024, the Department of Computer Science & Engineering (Cyber Security) at GHRCEMN Nagpur held its Forum Installation Ceremony. The event was attended by Dr. Vivek Kapur, Dr. Ravinder Kumar Singal, Ms. Pooja Lohi, and Dr. Priti Bihade. It featured lamp lighting, badge distribution, and the launch of the Sentinel Club. Speakers highlighted student development and the importance of cybersecurity, and the ceremony concluded with a vote of thanks by Dr. Pravin Kulurkar.

The Forum Installation Ceremony of the Department of Computer Science & Engineering (Cyber Security), GHRCEMN Nagpur, was graced by Dr. Ravinder Kumar Singal IPS, Commissioner of Police, Nagpur, as Chief Guest. His visit received coverage in local newspapers, bringing pride to the institution. Dr. Singal highlighted the importance of cybersecurity and encouraged students to actively protect digital systems and contribute to a secure cyber environment.

EXPERT LECTURE ON " ETHICAL HACKING "

On September 4, 2024, the Department of Computer Science & Engineering (Cyber Security) organized an expert lecture on "Ethical Hacking" at the Seminar Hall, C-Block, GHRCEMN, Nagpur. The session was delivered by Mr. Amol Rangari from Cognizant, Pune, and attended by 60+ students of the 5th semester, Computer Science & Engineering (Cyber Security). The lecture provided valuable insights into practical hacking techniques and cyber security best practices.

Dr. Pravin Kulurkar introduced the speaker, who began with an overview of Ethical Hacking, its importance, and various types of hackers such as White Hat, Cracker, Grey Hat, Script Kiddies, Hacktivists, and Phreakers. He also discussed hacking tools and provided insights into industry expectations during cybersecurity interviews.

A hands-on demonstration of Nmap was conducted to enhance practical knowledge.

A The session concluded at 4:30 PM with a vote of thanks and a group photo. The event was successfully conducted under the guidance of Dr. Vivek Kapur (Director) and Dr. Priti M. Bihade (HoD), coordinated by Dr. Pravin Kulurkar.

GUEST LECTURE : "FUTURE IN CYBER SECURITY"

On June 25, 2024, the Department of Computer Science & Engineering (Cyber Security), GHRCEMN Nagpur, organized a guest lecture on "Future in Cyber Security" at the Seminar Hall, C-Block. The session featured Mr. Allen Abrahim, Director at Sicrama Pvt. Ltd., Nagpur, as the expert speaker. A total of 158 students participated in this insightful session.

The event commenced at 2:45 PM with a welcome by Dr. Priti Bihade (HoD), who presented a sapling to Mr. Abrahim, symbolizing growth and learning. She encouraged students to actively participate and highlighted the importance of cybersecurity and ethics. Mr. Abrahim's lecture began at 3:00 PM, offering insights into the current landscape, challenges, and future scope of the cybersecurity industry. The session concluded at 5:10 PM, followed by a memento presentation and vote of thanks.

The event was successfully organized by Dr. Pravin Kulurkar, under the able guidance of Hon'ble Director Dr. Vivek Kapur and Dr. Priti Bihade. The expert lecture proved to be highly informative and enriching for all attendees.

EXPERT LECTURE ON "JOB OPPORTUNITIES IN CYBER SECURITY"

On 10th March 2025, the Department of Computer Science & Engineering (Cyber Security), GHRCEM, Nagpur organized a guest lecture on "Job Opportunities in Cyber Security". The expert speaker was Mr. Harsh Shrivastav, Sr. Manager at EC-Council, Academia Partner. The session was attended by 110+ students from the 4th and 6th semesters. Prof. Shalini Kumari introduced the guest, and the lecture began with a discussion on the rising demand for cyber security professionals and the urgent need to protect sensitive data.

The speaker highlighted the rapidly growing demand for cybersecurity experts, emphasizing that the "next world war will be fought over cyber data." He discussed emerging cybercrimes, digital forensics, and career opportunities such as Cybersecurity Analyst, Security Engineer, Penetration Tester, and Incident Responder, along with the importance of essential technical and soft skills.

The session concluded with an appeal to students to stay alert about privacy and security. It was highly informative and successfully organized by Dr. Pravin Kulurkar under the guidance of Dr. Vivek Kapur and Dr. Priti M. Bihade.

SENTINEL

The Sentinel Club at GHRCEMN is a dedicated platform for students passionate about cyber security and ethical hacking. It aims to nurture technical expertise, problem-solving abilities, and leadership qualities through hands-on workshops, live demonstrations, and interactive sessions. The club promotes collaboration and innovation, encouraging members to stay ahead in the evolving landscape of cyber threats and defense mechanisms.

Major Work

- DevSecOps Session – Expert talk by Mr. Vicky Patmase on secure software development with Q&A and quiz.
- Cyber Awareness Program (ICSM 2024) – Two-day program for 140+ students on phishing, password safety, and cyber fraud prevention.

SENTINEL

DEVSECOPS

On 21st January 2025, the Sentinel Club of Computer Science & Engineering (Cyber Security), GHRCEM Nagpur, organized a session on “DevSecOps” at the Seminar Hall, Block C-118. The event, facilitated by Dr. Priti Bihade and Mr. Saurabh Vyas, saw the participation of around 130+ students. The expert speaker, Mr. Vicky Patmase, shared his knowledge on secure software development, cloud security, and DevSecOps practices, highlighting the need to integrate security into every stage of the development cycle.

The session covered principles like shifting security left, automation, and collaboration between teams. Students actively participated in a Q&A session and a fun quiz on DevSecOps, with winners receiving prizes. The event concluded with a memento presentation and a vote of thanks. Overall, the program proved engaging and informative, inspiring students to adopt secure practices in software development.

CYBER AWARENESS

SENTINEL

On October 22-23, 2024, the Sentinel Club of the Computer Science & Engineering (Cyber Security) Department at GHRCEM Nagpur held a Cyber Awareness Program at the Poly Auditorium, Block-A. The event, part of Cyber Security Awareness Month, attracted over 140+ students from various departments. Sessions covered cyber fraud, prevention, phishing, password security, and online safety, aiming to promote digital literacy and protect personal information.

The interactive sessions, featuring discussions and a cyber safety quiz, were both informative and engaging. Students gave positive feedback, appreciating the practical approach and gaining confidence in protecting their digital presence. The program effectively raised cybersecurity awareness and emphasized the need for ongoing efforts to ensure a safe digital environment.

ATAL FDP Program

The Department of Computer Science & Engineering (Cyber Security), GH Raisoni College of Engineering & Management, Nagpur organized a Faculty Development Program on "Challenges of Information Security & Digital Forensics" from 18th–25th Nov 2024, sponsored by AICTE Training and Learning Academy (ATAL), New Delhi.

Objectives of the ATAL FDP

- To create awareness about emerging kinds of cybercrimes affecting individuals and groups.
- To understand how cybercrime cases are investigated and solved professionally.
- To provide hands-on training in cybersecurity tools, techniques, and practices.
- To foster collaboration and knowledge sharing among faculty and industry experts.

Inaugural Session

- The FDP was inaugurated on 18th Nov 2024 by Chief Guest Dr. Astitwa Bhargava (Assistant Professor, National Law University, Bhopal) and Dr. Achal Shahare (Registrar, GHRCEM Nagpur).
- Dr. Priti M. Bihade welcomed the audience and introduced the schedule, highlighting the importance of Cyber Security concepts.
- Dr. Astitwa Bhargava delivered the keynote address, focusing on applications and research areas in Cyber Security.

Day 1 – 18 Nov 2024

🎤 Dr. Astitwa Bhargava – Challenges to Indian Law and Cybercrime Covered Law & Cyber Technology, IT Act 2000, digital signatures, e-filing, and electronic data recognition.

🎤 Dr. Astitwa Bhargava – Legal Recognition of Electronic Records & Evidence
Discussed admissibility of electronic records in court, relevance, authenticity, dependability, and preservation guidelines.

Day 2 – 19 Nov 2024

🎤 Dr. Neeti Kapoor – Information Gathering & Scanning Methodologies Explained social engineering, search engines, social networks, domain names, and open-source reconnaissance tools.

🎤 Mr. Shrikant Ardhpurkar – Phishing, Vulnerability Assessment & Pen Testing Demonstrated Snort, firewall configurations, Nessus, Metasploit, Tor, and real-time case studies.

Day 3 – 21 Nov 2024

🎤 Dr. Ashish Badiye – Mobile Forensics & Cyber Crime Investigation Covered digital wallets, biometrics, blockchain in cybersecurity, WiFi attacks, OS security bypass, and password cracking.

🎤 Mr. Shrikant Ardhpurkar – Digital Forensics Techniques & Wireless Attacks Included data diddling, keyloggers, Stuxnet, DDoS, Ghostnet, phishing, and cyber defamation.

Day 4 – 22 Nov 2024

🏛️ Industrial Visit – Cyber Cell, Nagpur Participants observed practical cyber forensic tools, learning techniques to secure local devices.

🎤 Mr. Rajat Choudhari – Cloud Security, Footprinting & Port Scanning Discussed cryptography, wired/wireless security, reconnaissance, and footprinting methods.

Day 5 – 23 Nov 2024

🎤 Mr. Rajat Choudhari – Applications of Cyber Security Mechanisms & System Hacking Explained Trojan attacks, WiFi & smartphone hacking, risk management, incident response, and breach handling.

Day 6 – 25 Nov 2024

🎤 Mr. Amol Rangari – Web App Security, Spoofing & Sniffing Demonstrated vulnerability testing, loophole identification, and secure coding practices.

🎤 Dr. Pravin Kulurkar – Network Security & Application Security Discussed password protection, DoS attacks, mobile security, and tools for securing devices & applications.

Technical & Sports Achievment Of Students

Harsh Giripunje

7th semester

Graduated with a degree in Theology from Florida University, USA

Anurag Suryavanshi

3rd semester

Guinness World Records Certificate
Took part in the Guinness World Record attempt for the largest online aeronomy lesson in 24 hours. Foundation.

Shruti Singh Thakur

7th semester

Secured 1st place in Women's Basketball at the 26th Krida Mahotsav 2024, Gondwana University, Gadchiroli.

Sneha Rathore

7th semester

Sneha Rathore, Cadet of GH Raisoni College of Engineering, successfully attended CATC-609 at Saoner (10–19 July 2025).

Hack-Fusion 3.0

The Department of Computer Science & Engineering (Cyber Security) successfully organized its flagship event Hackfusion 3.0 on 16th & 17th April 2025. The two-day fest was designed to enhance creativity, technical excellence, and teamwork while offering a platform to learn through fun and competition.

Day 1 Highlights (April 16, 2025)

- **Pixel Play** – A pixel art competition that encouraged creativity and design thinking.
- **Catch the Criminal** – A cyber-investigation challenge based on real-world crime scenarios.
- **Free Fire Tournament** – A thrilling e-sports battle royale that drew massive participation and audience excitement.

Day 2 Highlights (April 17, 2025)

- **Think and Prompt** – A unique contest testing creativity, quick thinking, and storytelling.
- **Capture the Flag (CTF)** – A cybersecurity challenge with puzzles, cryptography, and ethical hacking tasks.
- **Mini Militia** – A fun-filled multiplayer shooter game that created a lively and energetic atmosphere.

Hackfusion 3.0 saw excellent participation across design, gaming, and cyber security events. Guided by faculty and supported by student coordinators, the fest ran smoothly and blended technology with creativity. It proved to be a grand success, inspiring students and setting the stage for even bigger future editions.

Departmental Sport Achivemnt

The students of Department of Computer Science & Engineering (Cyber Security) showcased remarkable talent and team spirit in various sports events held under Antarangini 2025 & Sports Carnival. These competitions provided a platform for students to display athletic excellence, teamwork, and enthusiasm.

2024 – Sports Carnival

🏀 Girls Basketball – Winners

🏏 Girls Box Cricket – Winners

♟️ Shruti Singh Thakur (Chess & Carrom) – Runner-Up

🎱 Sneha Rathore (Pool) – Winner

2025 – Antarangini

🏀 Girls Basketball – Winners

⚽ Girls Futsal – Winners

🏏 Girls Box Cricket – Winners

🏀 Boys Basketball – Runner-Up

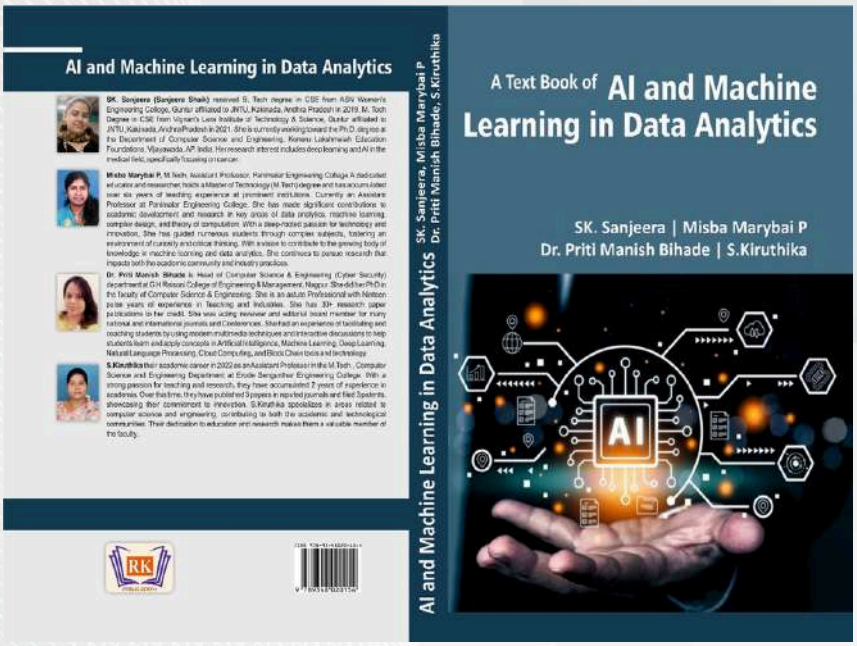

Cyber Security students excelled in Antarangini 2024, Sports Carnival, and Antarangini 2025, winning in basketball, futsal, box cricket, and securing podiums in chess, carrom, and pool. Their consistent victories showcased teamwork, dedication, and sportsmanship, bringing glory to the department and building confidence for future championships.
