First Year Engineering Department

Report on the Session "Guidance on Cyber Vidya" by Dr. Dhiraj Shembekar

As part of the First-Year Induction Programme Prarambh 25, an informative session on "Guidance on Cyber Vidya" was conducted by **Dr. Dhiraj Shembekar**. Cyber Vidya Incharge,GHRCEMN. The college's Management Information System (MIS), plays a vital role in maintaining academic transparency, as it records students' attendance, internal assessment marks, and academic progress, all accessible to students in real-time.

The session was attended by around 190 first-year students along with faculty members. Dr. Shembekar explained the features and functionalities of Cyber Vidya in detail, guiding students on how to use the system effectively for tracking their academic performance. He emphasized that being proactive in monitoring attendance and marks through Cyber Vidya would help students stay organized, responsible, and better prepared throughout their engineering journey. The demonstration made students confident about navigating the system independently.

On this occasion, **Dr. Shembekar** was felicitated by **Mr. Manoj Lade**, in appreciation of his efforts in making students familiar with the digital academic system.

We extend our sincere gratitude to Director **Dr. Vivek Kapur** for his constant motivation and vision that ensures such meaningful sessions are organized for the benefit of students. Equal appreciation goes to the student volunteer team, whose coordination and support ensured smooth conduct of the session.
