First Year Engineering Department

Report on the Session "First Year Engineering Process" by Dean First Year

As part of the First-Year Induction Programme **Prarambh 2025**, a special session on "First Year Engineering Process" was conducted by the Dean First Year **Dr. Majusha Aware**. The session witnessed the enthusiastic participation of around 250 students along with faculty members. The Dean provided valuable insights into the academic journey awaiting the students, emphasizing the importance of discipline, active engagement in learning, and developing a holistic approach to engineering education.

The occasion was graced by the presence of Director **Dr. Vivek Kapur**, whose constant encouragement and guidance have been instrumental in shaping the induction programme. On behalf of all students and faculty, we express our sincere gratitude to him for his inspiring leadership.

During the event, the Dean was felicitated by **Dr. Anisa Ahmed**, acknowledging her immense contribution towards streamlining the academic process for first-year students. The session was skillfully anchored by **Ms. Sanjeevani Bakale**, Communication Skills Trainer, who ensured smooth flow and vibrant interaction throughout.

The active support of the student volunteer team also deserves special mention, as their dedicated efforts made the session engaging and well-organized. Overall, the session proved highly motivating, setting a strong academic tone for the year ahead.
