Department of Computer Science and Engineering (Cyber Security)

PTM REPORT FOR ODD SESSION 2024--2025

Department of Computer Science and Engineering (Cyber Security),GHRCEM Nagpur has organised Parents -Teacher Meeting on Saturday 31/08/2024 for odd semester students. The main purpose of the meet was to make parents aware about their wards progress in academics and also to discuss other issues regarding all around development of students.

Class teachers and teacher guardian interacted with parents and discussed various academics such as sessional exam performance, Regular attendance monitoring, personal and college issues with the parents .Parents, in good number attended these meet and gave their feedback and suggestion for improvement in various curricular activities of department. Efforts taken by the faculty members were admired by the parents.

Department of Computer Science and Engineering (Cyber Security)

Dr. Priti Bihade Head of the Department informed parents that, College is not only providing the best academics but also providing the facility to enhance soft skills of the students for e.g. aptitude, software, soft skills training, industry interaction session etc. All members took efforts to bring success to Parent-Teachers Meet. We also wanted to thankful to our respected Director Dr. Vivek Kapur sir for his continuous encouragement and guidance.
