Department of Computer Science and Engineering (Cyber Security)

Parent–Teacher Meeting Report
Session 2026-27 (Odd Semester)

Date: Saturday, 29 August 2026

The Department of Computer Science and Engineering (Cyber Security), GH Raisoni College of Engineering and Management (GHRCEM), Nagpur organized a Parent–Teacher Meeting for odd semester students on Saturday, 29 August 2026.

The primary objective of the meeting was to make parents aware of their ward's academic progress and to discuss various aspects related to the overall development of the students. During the interaction, class teachers and teacher guardians met individually with parents and discussed important academic parameters such as CAE-1 examination performance, regular attendance monitoring, academic progress, and other personal or college-related concerns.

Parents actively participated in the discussions and shared valuable feedback and constructive suggestions for enhancing curricular and co-curricular activities in the department. They appreciated the continuous efforts of the faculty members in mentoring, guiding, and supporting students throughout their academic journey.

Dr. Priti Bihade, Head of the Department, addressed the parents and highlighted the institution's commitment to providing quality education while developing students' overall personality and employability skills. She also briefed the parents about various initiatives undertaken by the department, including aptitude training, software skill development, soft skills training, and industry interaction sessions.

The Parent–Teacher Meeting was conducted successfully with the collective efforts of the faculty members of the department in a positive and constructive environment. The active participation and valuable feedback received from parents will contribute towards further improving the academic performance and overall development of the students.

The department expresses its sincere gratitude to the respected Campus Director, Dr. Vivek Kapur, and the respected Director, Dr. Achal Shahare, for their continuous encouragement, support, and guidance in organizing such meaningful and productive initiatives.
