FIRST YEAR ENGINEERING DEPARTMENT

For the holistic development of a student, extra-curricular outdoor fun activities have an important role to play along with academics. Adventure camps generated thrill and excitement among students .In adventure camp not only fun, but it also help in inculcating several social skills in students like team spirit, risk taking, collaboration and enhancing gross and fine motor coordination in them.

G.H Raisoni Institute of Engineering and Technology, Nagpur, teamed with **Achievers Adventure Camp designed & Developed by Global Education Limited** to provide one such enriching and rejuvenating experience to the students of G .H Raisoni Institute of Engineering and Technology within the safe environs of the college premises.

The adventure camp was scheduled from January 19, 2024. A plethora of adventure activities kept the students excited and hooked throughout the day. The camp commenced with the students being divided in groups and briefed about the precautions to be taken and the instructions to be followed during the course by their coaches who were active, well trained and zealous facilitators. The participants were exposed to various adventure activities like – the Burma Bridge, Huddles , Commando Crawl, Hop Scotch, Hamster Wheel, Body Zorp , Net Climbing, Zip lining, Tent Pitching, Navigation skills and other energizing games. It was a day filled with adventure and experiential learning wherein the students enjoyed the newfound independence and self-belief as they faced each challenge powered with fun.
