First Year Engineering Department

Report of the Conduction of Examination @GHRCEM,Nagpur

The First-Year Engineering Department successfully organized a Conduction of Examination session as part of the Student Induction Program, "Prarambh" on 21 September 2024. The session featured by COE Dr. Tushar Shende. The session focus on status of credit earned, Grade card semester wise, grade points, calculation of SGPA & CGPA,Grade approval, Grievance. Total student Benefited by around **512 students held in Poly Building Auditorium Block A.**

Sir explained that G.H. Raisoni College, being an autonomous institute, follows a customized academic and examination structure. This autonomy allows the college to design its curriculum, evaluation process, and assessment pattern while still adhering to the standards set by the affiliating university (e.g., Rashtrasant Tukadoji Maharaj Nagpur University) and regulatory bodies such as the AICTE or UGC. Internal assessments are conducted to evaluate students' understanding of the subjects midway through the semester. End-semester exams are comprehensive and are conducted at the end of each semester. Results are declared in a timely manner, following university protocols, and students can access their results online via the college portal. Students have the option to apply for revaluation if they are dissatisfied with their results. Supplementary exams are also held for students who fail to clear any subject.

The event was graced by Dr. Manjusha Aware, Dean First Year and Mrs. Shital Yadav, Radiance Forum In charge, along with several faculty members from the department. The session was a valuable learning experience for the new students, as it provided them with essential knowledge about exam process.
