Guest lecture titled “Interlink between Science & Technologies” in GHRCEMN, Nagpur

First Year Engineering Department of G. H. Raisoni College of Engineering and Management (GHRCEMN) organized a guest lecture on 20th March 2026 for the semester – II students. The expert was Dr. Nilesh S. Ugemuge, Assistant Professor Research Supervisor, Dept. of Applied Physics, Anand Niketan College Warora, India. The title of this lecture was “Interlink between Science & Technologies", the objective of the lecture was to create awareness among students about the relationship between science and technology and their role in future innovation and development. During the session, Dr. Ugemuge explained how science and technology are interconnected and how scientific discoveries lead to technological advancements that improve human life and industrial development. He highlighted the importance of innovation, research, and interdisciplinary learning in the modern world. Vote of thanks was given by Dr. Manjusha Aware, Dean First Year, GHRCENM. Total 65 students were benefitted by this. The program was coordinated by Dr. Geetanjali Kale, Assistant Professor First Year Engineering Department, GHRCENM and the program was hosted by Ms. Sanjeevani Bakale, Assistant Professor First Year Engineering Department. Honorable Dr. Vivek Kapur, Campus Director GHRCENM appreciated the efforts taken by First Year Engineering department for successful conduction of the Expert Lecture.
