Alumni Meet Inspires Fresher

An engaging alumni meet featuring **Mr. Krishna Sedani** was organized as part of the induction program **Prarambh 2025** for first-year engineering students on dated 28th August 2025.Total 94 students attended the session. The session aimed to motivate newcomers by connecting them with a successful alumnus who has demonstrated excellence in innovation and engineering pursuits.

Krishna Sedani, an aspiring mechanical engineer, shared his academic journey, challenges, and achievements with the students. He spoke about the importance of perseverance, creativity, and practical learning in engineering. His interaction encouraged students to think beyond textbooks and focus on developing problem-solving skills and innovative thinking.

A highlight of the session was Sedani's recognition as a state-level winner at the Maharashtra Innovation Challenge, for which he was felicitated by the Deputy Chief Minister of Maharashtra. He elaborated on his project, emphasizing how real-world problems can be addressed through engineering solutions. His accomplishment served as a strong inspiration for the freshers, showcasing the impact of dedication and hard work.

The session was highly interactive, with students asking questions about career paths, project development, and skill enhancement. Sedani's practical advice and approachable demeanor made the discussion insightful and relatable.

Overall, the alumni meet proved to be a motivating experience for first-year students. It not only introduced them to the possibilities within their chosen field but also instilled confidence and enthusiasm as they begin their engineering journey.

Program was organized by **Mrs.Shital Yadav** induction program incharge under the guidance and motivation of **Dr.Manjusha Aware**, Dean First Year and **Dr.Vivek Kapur**, Director GHRCEM, Nagpur.
