- **Student Feedback on Institutional Governance/ Faculty performance**

Feedback collection process

To ensure the quality in teaching learning process, Online/Offline feedback collection process is in place (Twice in a semester). Nearly 80-85 % students participate in the feedback process. Written feedback from the students are collected without their identity. The Director/Principal also verifies and validates the fairness of the feedback system. Feedback is collected immediately after each CAE/Sessional examination, wherein Team appointed by the Director/Principal, interacts directly with the students and collect the Faculty feedback, for all the courses in the ongoing semester. Feedback is taken from students about the effectiveness of teaching, syllabus coverage, and evaluation by respective teachers and other subject as well as faculty related questions.

Once feedback is taken/collected, central level committee formed by the Director/Principal do the feedback analysis which is then submitted to Director/Principal office for further necessary action. After going through the feedback analysis, Appreciation / Satisfactory / Warning letters were issued to respective faculty.

Also detailed feedback analysis question wise is then sent to respective department which is then shared with the faculty to know his/her strengths and weaknesses along with the area of improvement.

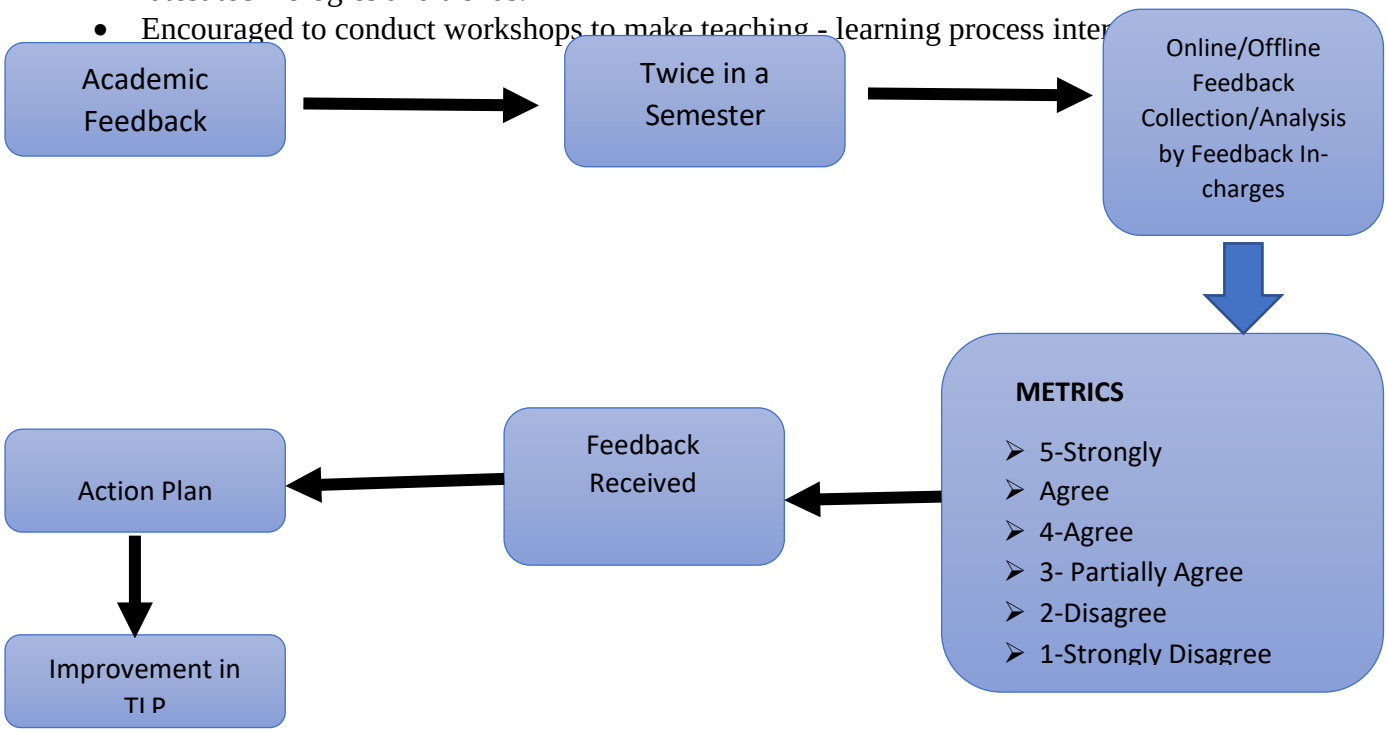

The HOD counsels the faculty to take remedial steps. In case of situations like not adhering to teaching plan, poor interaction/ teaching, improper evaluation etc. HOD calls and discuss with the faculty. Even after this if the faculty does not perform well the matter is reported to the Director/Principal and appropriate action is taken.

Feedback analysis and rewards and corrective measures taken, if any Rewards/Awards

1. Faculty members with Outstanding above 85% Marks will be rewarded by issuing Certificate of Appreciation. Satisfactory letter will be issue for the satisfactory range of feedback.
2. If the performance falls below 60% warning letter will be issue, the faculty will be counseled individually by the HOD/Principal and the faculty will be advised and suggestion will be given to further improvement of performance.

Corrective measures

- Counseling will be given to the concerned faculty by HOD and Principal.
- Deputing faculty to attend the FDP in IITs and NITs related to subjects handled
- Recommended to attend various conferences / seminars, so as to exchange ideas on latest technologies and trends.
- Encouraged to conduct workshops to make teaching - learning process inter
