Vision and Mission of the Department

Vision

To produce capable graduate engineers with an aptitude and quality for research and leadership.

Mission

- To enhance career opportunities for the electrical Students through industrial exposure & promote interaction among industry, faculty and students.
- To inculcate sensitivity toward society and a responsibility towards environment.
- To achieve excellence in learning and research through continual improvement in both content and delivery of the academic programs.
- To provide opportunities and ensure regular Skill Up gradation of faculty, staff and students through training programs

❖ *Expert Lecture for 2nd year Students*

Expert lecture on "Group Discussions, Personal Interviews and Higher Education" is organised by Electrical Engineering Department on dated 11.02.2023 for the students of 2nd year. Program started with the felicitation and introduction of expert by Prof. Avinash S.Welankiwar, Assistant professor, Electrical Engineering Department. Mr. Deepankar Banik focused on various shortcut techniques to solve aplitude questions in less than one minute time. Also He introduced various current topics for group discussions. At the end of the session doubt session was conducted. Prof. Avinash S.Welankwiar has given vote of thanks. Students appreciated the expert Lecture conducted by Department of Electrical Engineering.

❖ *Training Program on "Leadership" for Students council*

Training Program on "Leadership skills" for Students council was held between 09-02-2023 To 11-02-2023. From 3rd year 6th sem, Mr.Tanmay Bokde, Mr.Siddhesh Khilekar and Mr. Punit Gharpure have attended this program. Objective of this program was to develop leadership and coordination skills of the students. Expert for this progam was Mr Tushar Muley, Lead Consultant Training and Development at GLOBAL EDUCATION LIMITED and Indian Society of Training and Development.

❖ *Expert Lecture on "Internship study and employment possibilities in Germany"*

Expert lecture on "Internship study and employment possibilities in Germany" is organized by T&P Department for Electrical Engineering students on dated 14.02.2023. Program started with the felicitation and introduction by Dr.Rahul Pethe, Dean T& P. Mr. Dheeraj Day in this lecture focused on the developing scenarios in electric vehicle, various policies of government, various way to find Opportunity in Germany. All the faculties have attended the expert Lecture. Doubts were raised by the Students to the expert. Lastly Mr.Yogesh Ikhe concluded the session with vote of thanks.

❖ *Shivjayanti Celebration*

On 17th Feb. GHRIET has celebrated Chatrapati Shivaji Maharaj Jayanti. Students and from Electrical Engg. Dept. have enthusiastically participated in this event.

❖ *Expert Lecture on "Cyber Psychology and Darker side of Social Media Platforms" under FLASHOVER Forum and IEI Students Chapter*

Expert lecture on "Cyber Psychology and Darker side of Social Media Platforms" is organised by Electrical Engineering Department on dated 27.02.2023 for the students of Electrical Engineering Department. Program started with the felicitation and introduction by Dr.Bhupendra Kumar, HOD, Electrical Engineering. Dr. Rakesh Kriplani in this lecture focused on the Various personality based developments in human generations from 1960 to 2010. Later he linked it up with various easily prone cyber threats. He has also discussed various online platforms like FACEBOOK, Instagram, and darknet. He has given special safety tips to girls students regarrding photo and other selfie uploads. All the faculties have attended the expert Lecture. Doubts were raised by the Students to the expert. Lastly Mr.Sarthak Thakre concluded the session with vote of thanks.

❖ *An Exhibition on "Best from Waste" under IEI student Chapter*

Renewable Club on the occasion of national science day organized an Exhibition on theme “Best from Waste” on 28/02/2023 for UG students, G.H. Raisoni Institute of Engineering and Technology, Nagpur. The objectives of this competition is, To develop the ability to think and organize the thinking to create something useful from waste material, further Developing the sense of using ecosystem. This event is actively participated by 45 students of our campus. Students created models from different waste materials. All the models created by students are evaluated on parameters such as innovativeness, way of presentation and percentage of waste material use for their product, after evaluation, result was declared in which winning team include Mr. Saish Charlikar (6 th sem EE), Ms. Vaishnavi Kamble (6 th sem EE) and runner up team include Ms. Anushka Khurje (4 th sem AI), Mokshada Satpude (4 th sem AI), Manjiri Naik (4 th sem AI) GHRIETN.

I will love the light for it shows me the way, yet I will endure the darkness because it shows me the stars.”
