Report on the Session "Universal Human Values" by Prof. Geetanjali Kale

As part of the First-Year Induction Programme Prarambh 25, an insightful session on "Universal Human Values" was conducted by **Prof. Geetanjali Kale** on 25th August 2025. The session was attended by around 180 students and faculty members, who actively participated in the discussion and reflected on the importance of values in personal and professional life.

Prof. Kale emphasized that education is not just about academic excellence but also about nurturing compassion, respect, and ethical responsibility. She explained how universal values such as honesty, empathy, integrity, and cooperation help in building a harmonious society and in shaping students into responsible engineers and citizens. Interactive examples and real-life situations made the session engaging and relatable for the young audience, encouraging them to imbibe these values in their daily lives.

On this occasion, **Prof. Geetanjali Kale** was felicitated by **Mrs. Leena Yelmule**, as a token of appreciation for her meaningful contribution. The session was smoothly anchored by the student coordinator, who ensured an engaging and well-organized flow of the programme.

We extend our heartfelt gratitude to Director **Dr. Vivek Kapur** for his vision and continuous encouragement in organizing such impactful sessions. Equal appreciation goes to the student volunteer team, whose dedication and support made the event successful.
