Workshop on AI Infrastructure Engineering under Professor of Practice

20/07/2026

Department of Computer Science and Engineering of G H Raisoni College of Engineering & Management, Nagpur sucessfully organized **Workshop on AI Infrastructure Engineering for students of Third Year CSE B and C from 13th July to 15th July 2026 and Third Year CSE Section A and Third Year IT from 16th July to 18th July 2026.** Total 200 students attended and benefited from the session.

Expert for the session is Mr. Chandrashekhar Shukla, Founder,Codenixia and Rostris, Pune. Workshop focusing on modern infrastructure technologies, cloud computing, DevOps practices, and AI infrastructure engineering. The workshop was designed to bridge the gap between academic learning and industry requirements by providing practical exposure to widely used technologies in system administration, cloud platforms, automation, and AI-enabled infrastructure. The workshop successfully achieved its objective of introducing students to modern infrastructure engineering technologies through an industry-oriented learning experience. The combination of Linux administration, AWS cloud computing, DevOps tools, AI infrastructure concepts, and career guidance equipped participants with practical skills aligned with current industry requirements. The workshop significantly enhanced students' technical knowledge, confidence, and readiness for careers in cloud computing, infrastructure management, and DevOps.

Students appreciated the workshop for its practical orientation, industry relevance, and interactive delivery. Students found the hands-on exercises highly beneficial in understanding real-world infrastructure technologies. The career guidance session was particularly valuable in helping them explore emerging job roles and certification pathways in cloud computing, DevOps, and AI infrastructure engineering.Workshop was coordinated by Mrs. Priyanka Gonnade, Assistant Professor, CSE under the guidance of Dr. Sonali Ridhorkar, Dr. Achal Shahare, Director, GHRCEMN and Dr.Vivek Kapur,Campus Director, Shradha Park, Nagpur.
