Vision and Mission of the Institute

Vision of the Institute

To achieve excellent standards of quality education by keeping pace with rapidly changing technologies and to create technical manpower of global standards with capabilities of accepting new challenges.

Mission of the Institute

- Our efforts are dedicated to impart quality and value based education to raise satisfaction level of all stakeholders.
- Our Strength is directed to create competent professionals.
- Our endeavor is to provide all possible support to promote research and development activities.

Vision and Mission of the Department

Vision of the Department

To develop professionals to become a valuable resource for industry, possessing a sound social awareness and sense of responsibility through academic excellence in Electronics and Telecommunication Engineering.

Mission of the Department

M 1: To develop the department into a multi-faceted learning environment supported by adequate facilities, infrastructure, and learning resources.

M 2: To provide quality and value-based education to undergraduate students in the field of Electronics and Telecommunication Engineering.

M 3: To prepare graduates for industry, higher education, and research by fostering innovation, ethical values, professional skills, and lifelong learning.

Chairman's Message

Shri, Sunil Raisoni
Chairman, RGI

Innovation is the cornerstone of progress in today's rapidly evolving world. At RGI, we remain committed to strengthening our educational ecosystem so that it stays relevant, forward-looking, and aligned with the changing needs of students, industry, and society.

Our primary goal is to enhance student employability by providing meaningful learning experiences that nurture creativity, adaptability, and resilience. Through strong collaborations with industry partners, we strive to create opportunities that empower our students to confidently pursue successful careers.

At GHRIET, our vision goes beyond academic excellence. We aim to nurture responsible, innovative, and globally minded individuals who are prepared to lead and make a positive impact on society. Student forums play an important role in this mission by offering platforms that encourage leadership, teamwork, communication, and innovation beyond the classroom.

I extend my heartfelt congratulations and best wishes to the newly formed forum teams. May this forum inspire initiative, creativity, and excellence among students. We believe in your potential and are confident that you will carry forward the values of RGI with dedication and purpose.

Wishing you great success in all your future endeavors.

Director's Message

Education has always been an indispensable part of life. It shapes us to lead better lives, enriches our journey toward success, and helps us reach the zenith of our aspirations. With vision in their eyes and innovation in their minds, the students of GHRIET are actively building their futures while also demonstrating remarkable social and extracurricular talents.

It is a matter of immense pride for me that my students are proving their mettle not only in the field of education but also in areas that are often considered far removed from engineering. Like many other misconceptions based on flawed assumptions, this notion too has been disproved by my brilliant students, who have successfully showcased their diverse abilities.

I hope you enjoy reading about the exciting developments and achievements that have been taking place around us recently.

From the bottom of my heart, I extend my best wishes to the team of "XPLORE 2K23". I also shower my blessings upon our dear students and hope that they will continue to achieve excellence and carry forward such outstanding work in the future.

Dr. Vivek Kapur
Director, GHRIET

HOD's Message

Very few people truly realize the wealth of sympathy, kindness, and generosity hidden within the soul of a student. The Electronics and Telecommunication Department of GHRIET stands as an excellent example where everyone strives tirelessly to uphold these values.

For the past seven years, this institution has been nurturing the young minds of the town with the belief that "The heart of education is the education of the heart."

Enjoy every moment you have, because in life there are no rewinds only flashbacks. For you, the "XPLORE" team has worked hard to present an exhilarating flashback of the department's inception, its history, events, and achievements during the session 2022–23.

I congratulate all the students of the department for their efforts and accomplishments.

Happy Reading!

Dr. Devashree Marotkar
HOD, ETC Department

Editorial's Message

Editorial Message: A Journey of Synergy and Spirit

"Talent wins games, but teamwork and intelligence win championships." Michael Jordan

As we flip through the pages of this edition, these words resonate more deeply than ever. A magazine is never the product of a single mind; it is a mosaic of shared visions, late-night edits, and the collective passion of a dedicated team.

A Tribute to the HEARTZ Team

I would like to express my profound appreciation for the HEARTZ Members. Their relentless hard work in scouting for the perfect photographs, verifying data, and curating content has been the backbone of this publication. They didn't just collect information; they captured the heartbeat of our department.

This issue serves as a vibrant time capsule of the 2022-23 session. Within these pages, you will find:

- Glimpses of Excellence: Highlights from our most impactful activities.
- Intellectual Depth: Insightful reports and technical articles.
- Creative Soul: Evocative poems and personal reflections that showcase the hidden talents of our students.

Gratitude to Our Mentors : Innovation thrives under the right guidance. I am deeply indebted to my colleagues for their unwavering support. A special note of gratitude goes to Dr. Vivek Kapur, Director, GHRIET, and Dr. Devashree Marotkar, HOD of the ETC Department. Your mentorship provided the compass we needed to navigate this project, & your belief in our vision turned this effort into a reality.

To our readers: This magazine is a celebration of our shared journey. We hope these pages inspire you as much as the process of creating them inspired us.

Dr. Shubhangini Ugale
HEARTZ Forum Incharge

(PEOs) & (PSOs)

Program Education Objectives (PEOs)

- **PEO1:** Have in-depth knowledge in Electronics and Tele-communication Engineering to Innovate, design and develop modern electronic system
- **PEO2:** Sustain intellectual curiosity in professional carrier through lifelong learning
- **PEO3:** Have strong work ethics, professional attitude, team spirit, leadership skill and enterprising skills to serve industry and society

Program Specific Outcomes (PSOs)

The graduates of the department will attain ability to:

- **PSO1:** Apply, mathematics and Science through differential and integral calculus transform to solve complex Electronics and Telecommunication engineering problems
- **PSO2:** Applying modern IT tools for the design and analysis of complex electronics systems
- **PSO3:** Acquired technical knowledge for qualifying in competitive examinations at various levels

Program Outcomes

Engineering Graduates will be able to:

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems
2. **Problem analysis:** Identify, formulate, review research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice
7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice
9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings
10. **Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments
12. **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change

Skill Training Program on “Roadmap of Cloud Based Internet of Things”

Glimpses of Skill Training Sessions

Electronics & Telecommunication Engineering Department of G H Raisoni Institute of Engineering & Technology, Nagpur had organised Five days Students skill training program on “Roadmap of Cloud Based Internet of Things” from 25th July 2022 to 29th July 2022 for B. Tech 3rd year & 4th year (ETC) Students. Total 67 Students had attended and benefited from this skill training program.

Training session is conducted by Mr. Sandeep Sonaskar Sir Director of EART TECHNOLOGIES (OPC) PRIVATE LIMITED, Nagpur. In this training sessions, they cover Getting Started with ESP8266, Recent Trends, Modules and Sensors, Getting Started with Raspberry pi, Project Work on ESP32 and Raspberry pi, Other Projects Discussion and Practical and various examples on the mentioned topics.

The Skill Training Program was concluded with a question answering session followed by test. At the end of training session feedback was taken. This training program was successfully coordinated by faculty in charges Ms. Swati Hadke & Mr. Vipin Bhure from Department of Electronics & Telecommunication Engineering under the able guidance of Dr. Devashree Marotkar, HOD, ETC Department & Dr. Vivek Kapur, Director, GHRIET, Nagpur.

Skill Training Program on “IoT & It’s Applications

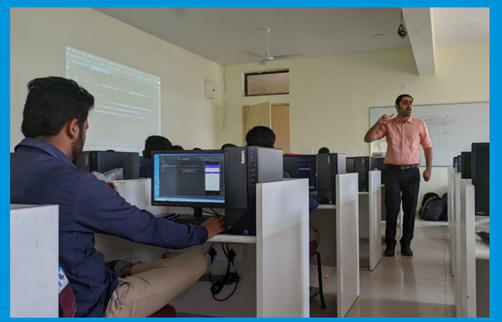

Electronics &Telecommunication Engineering Department of G. H. Raisoni Institute of Engineering & Technology, Nagpur had organised Five days Students skill training program on “IoT & It’s Applications” from 07 th February to 11 th February 2022 for BE 2 nd Year, 3 rd year & 4th Year (E&TC) Students. Total 80 Students had attended and benefited from this skill training program.

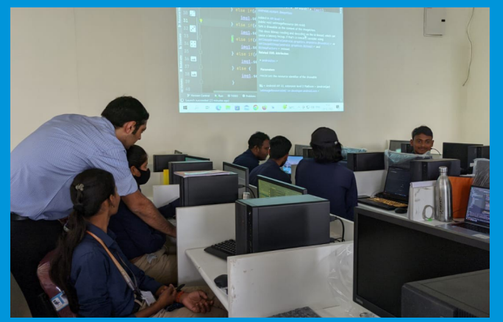

Training session is conducted by Dr. Rahul Pethe Sir, Prof. Swati Hadke Madam Prof. Vipin Bhure Sir of Electronics & Telecommunication Engineering Department. In this training sessions, they cover Introduction to Microcontroller and Robotics, Hands on Basic Programing of IoT, Knowledge of Arduino Uno, IoT Technology and WiFi, Bluetooth, ZigBee, Applications of IoT ,Hands on Programing on IoT and various examples on the mentioned topics. The Skill Training Program was concluded with a question answering session followed by test. At the end of training session feedback was taken. This training program was successfully coordinated by faculty in charges Ms. Swati Hadke & Mr. Vipin Bhure from Department of Electronics &Telecommunication Engineering under the able guidance of Dr. Devashree Marotkar, HOD, E&TC Department & Dr. Vivek Kapur, Director, GHRIET, Nagpur.

Skill Training Program on “Android App Development”

Glimpses of Skill Training Sessions

Electronics & Telecommunication Engineering Department of G H Raisoni Institute of Engineering & Technology, Nagpur had organised five days skill training program on “Android App Development” from 27th February to 03rd March 2023 for B.Tech. 2nd Year (ETC) Students. Total 55 Students had attended and benefited from this skill training program.

Training session is conducted by Mr. Ashwinkumar Balani Sir, C.E.O. of First Impression Technologies. In this training sessions, they cover Introduction to Java programming, Android Fundamentals and Architecture, Basic Android controls, Advance Android controls, Animation in Androids, Menus and Many Handlers on Androids, Displaying data in the form of Lists, The road ahead with Androids,

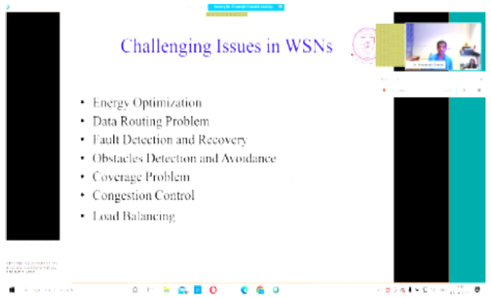

Data Storage and Networking in Android, Architecture Components, Advanced Android Concepts, Testing & Debugging, Deployment & Career Roadmap, Hands on Programing on Android and various examples on the mentioned topics.

The Skill Training Program was concluded with a question answering session. At the end of training session feedback was taken. This training program was successfully coordinated by faculty in charges Ms. Swati Hadke & Mr. Vipin Bhure from Department of Electronics & Telecommunication Engineering under the able guidance of Dr. Devashree Marotkar, HOD, ETC Department & Dr. Vivek Kapur, Director, GHRIET, Nagpur

INTERNSHIP

Sr. No	Name of Students	Topic	Date / Duration	Organizer
1	Ayush Dongre	ROBOTICS (15 Day Online Internship)	4/01 TO 19/01	Kodacy, Scientific Platforms and Cosmic Explorations

Alumni Interaction by Mr. Abhipray Dhobale

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 5th and 7th semester students on 13 September 2022.

The alumni Mr. Abhipray Dhobale a 2022 batch pass out student, currently working in Lifeline Systech solutions as a Graduate Trainee Engineer.

He shared his company experience, different software skills needed to join company, how to prepare for aptitude. He told to students for ETC branch students opportunities open in Hardware, Telecom and IT sector. Interactive session was done between students and alumni, Mr. Abhipray Dhobale. Students definitely get benefit by his guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Ms. Rupal Shaw

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 5th and 7th semester students on 18th October 2022.The alumni Ms. Rupal Shaw a 2022 batch pass out student, she is preparing for CDS (Common Defence Service Examination).

She shared her knowledge about CDS examination and suggest some books to prepare for this exam. She told student this exam is for both male and female which is conducted by the UPSC twice in a year to recruit candidates to fill the vacant posts of Indian Military Academy, Indian Naval Academy, Officer training academy and Indian Air Force Academy. Interactive session was done between students and alumni, Ms. Rupal Shaw. Students definitely get benefit by her guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Mr. Karan Yadav

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 5th sem on 28th October 2022.

The alumni Mr. Karan Yadav a 2021 batch pass out student, currently working in Role to Win- India as a Sr. Tester(GQA) at Bangalore.

He shared his college and company experience, different software skills need to join company, how to prepare for aptitude. He told to student's importance of technical event and motivate students to participate and organized different technical events under student forum. He informed to students, college support financially to students who participated in project and paper presentation at IIT and NIT. Interactive session was done between students and alumni, Mr. Karan Yadav. Students definitely get benefit by his guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Ms. Nikita Yelekar

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 4th and 6th semester students on Wednesday 22nd February 2023.

The alumni Ms. Nikita Yelekar a 2018 batch pass out student, currently working in Infosys as a Developer at Nagpur.

She shared her college experience, discuss submission days, given different examples of project and paper presentation and motivate student to participate in every technical competition not only at college but others college also. Interactive session was done between students and alumni, Ms. Nikita Yelekar. Students definitely get benefit by her guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Mr. Abhishek Solat

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 4th semester students on 11 February 2023.

The alumni Mr. Abhishek Solat a 2021 batch pass out student, currently working in Bluberry Semicoductor Pvt. Ltd. as a Verification Engineer at Banglore.

He shared his photography experience at college level and inform to student about different photography events organized at college level. He told to student college life is unforgettable life after pass out every one will miss this days so coordinate and participate each and every activity organized by the department and at college level which is helpful to add in your resume. Interactive session was done between students and alumni, Mr. Abhishek Solat. Students definitely get benefit by his guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Mr. Aditya Deshmukh

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for B. Tech 4th and 6th semester students on 18th March 2023.

The alumni Mr. Aditya Deshmukh a 2020 batch pass out student, currently working in Flex as a Software Developer at Nagpur.

He shared his experience, different software skills require for company and how to prepare our self for company. He told to students for ETC branch students opportunities open in Hardware, Telecom and IT sector. Interactive session was done between students and alumni, Mr.Aditya Deshmukh. Students definitely get benefit by his guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

Alumni Interaction by Ms. Anushree Bharne

Department of Electronics & Telecommunication Engineering of G H Raisoni Institute of Engineering & Technology, Nagpur has organized alumni interaction session for BE 4th and 6th semester students on 05 April 2023.

The alumni Ms. Anushree Bharne a 2022 batch pass out student, currently working in IBM Kyndryl as a IAM- Admin at Hydrabad.

She shared her experience in student life also employee life and difference of student and employee life. She told to student select your project which will useful for society. In technical round company expert ask the question related to your project also. She encouraged student to participate in different event and try to organize and coordinate different activity which build our confidence. Interactive session was done between students and alumni, Ms. Aushree Bharane. Students definitely get benefit by her guidance.

The session was coordinated by Ms. Shubhangini Ugale. Under the guidance of Dr. Vivek Kapur, Director of GHRIET and Dr. Devashree Marotkar, HOD of Electronics and Telecommunication department.

PROJECT COMPETITION REPORT

The Project Competition was organized under the PRAGYOTSAV 2023 (national level Technical Fest) on 28/03/23 at 11.00 AM in Room NO 301 for the academic year 2022-23. Total 26 project groups of various colleges had participated in the event. Overall 83 students participated in the event.

Dr. Bhupendra Kumar, HOD of Electrical Engineering department Judged the event and winners were declared as follows:

- **First Prize Winners :** Mr. Sagar Bankar, Mr. Anubhav Rai, YCCE Nagpur
- **Second Prize Winners:** Mr.Aniket Dehankar, Mr. Aniket Raut, Mr. Aniket Zade, Mr. Himanshu Lilhare, GHRC Nagpur

Ms. Prajakta Upadhye coordinated this event under the guidance of Dr. Devashree Marotkar, HOD ETC and Dr. Vivek Kapur, Director of GHRIETN.

EVENT: LAN GAMING

In Lan Gaming Event, it was divided into two parts BGMI and FIFA total 137 students (4 members in BGMI and 2 member in FIFA) were participated from Priyadarshini, Pallotti, GHRIET engineering and polytechnic colleges from Nagpur.

In BGMI (Battleground Mobile India) three groups were formed playing in three rounds. In first round each groups (25 participant) were played from this three groups were selected (8 partcipant).

In third round from this three groups BGMI winner was selected.

In FIFA were played in Sony Play Station 5 sponsored by Games & Café, in this Gaming two participant were played according to fixtures design and those who cleared the final round selected as FIFA Winner.

Rugved Tamboli from St. Vincent Pallotti college of Engineering, Nagpur First winner FIFA.

Saurabh Patle and Group from BBA, MBA and MCA of GHRIET, Nagpur as First winner in BGMI.

Circuit Designing Competition Date: Tuesday, 28th March 2023.

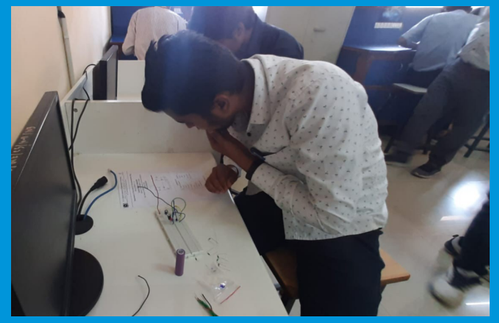

In Circuit Designing Competition, total 44 teams (2 members in each team) were participated from YCCE, Priyadarshini, Pallotti, GHRIET engineering and polytechnic colleges from Nagpur.

Total 3 rounds were conducted. In first round On-Spot Circuit designing in a 2 min. All the teams had given a task to glow a LED using Diode and single Resistor. 20 Teams were qualified from this round.

In second round, a task is given to design a circuit as per the given circuit diagram within 6 min. 7 teams were qualified for the final round.

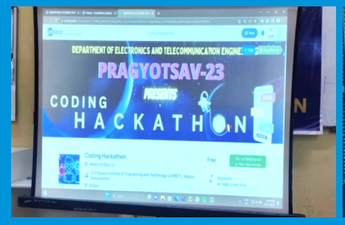

In final round i.e. Reverse Engineering, a predesigned breadboard circuit was presented to all the teams. 2 min were given for the observation of that circuit. And task was given to design the same circuit within 6 min.

GHRIET 2nd Year Polytechnic College, Nagpur Team (Rugved Kahpekar and Prathemsh Giradkar) was the Winner and YCCE, Nagpur team (Sagar Bankar) was the Runner-up of this event.

Event: Coding Hackathon

Glimpse of an event

In Coding Hackathon, total 35 teams (2/3 members in each team) were participated from YCCE, PCE and GHRIET engineering and polytechnic colleges from Nagpur.

Total 2 rounds were conducted. In first round two problem statements were given to the students which had to be programmed correctly within the given time limit. 11 Teams were qualified from this round.

Department of Electronics and Telecommunication Engineering Session 2022-23

In second round, two teams were immerged as a top programmer. Which were further felicitated by the respective judges.

GHRIET 2nd Year AI, Nagpur Team (Mr. Ashwin Masulkar & Mr. Sujal Pokale) was the Winner and GHRIET, Nagpur team (Ms. Arya Ashtankar & Mr. Dhruv Barapatre) was the Runner-up of this event.

Ms. Sucheta Raut assistant professor alog with Ms. Tanushree Umredkar, Mr. Vrushabh Dhote, ETC department coordinated this event under the guidance of Dr. Devashree Marotkar, Head of Dept. ETC and Dr. Vivek Kapur, Director of GHRIETN.

Peer Teaching on topic "GATE related Questions on Analog Integrated Circuits" Organized by ETC department for students of 3rd Sem GHRIET, Nagpur

Peer teaching was organized on 18/11/2022 by Department of Electronics and Telecommunication Engineering for students of 3rd Sem ETC at GHRIET, Nagpur. The lecture was on Analog Integrated Circuits subject. The lecture was delivered by Ms. Samrudhi Bhoyar student of 5th semester Electronics and Telecommunication Engineering, GHRIET. This lecture helped the students to understand the concepts regarding GATE numerical and how to solved. During his lecture she have covered all the numerical available in GATE previous questions papers.

The peer teaching concluded with a question answering discussion, during which the Ms. Samrudhi Bhoyar responded to all the questions asked by the students. Total 49 students had attended this peer teaching. Students also learned immensely from the information and expertise provided by the 5th sem student. Feedback has taken from the students and its impact analysis gives the good results. Students requested to have such more session in future.

Ms. Priyanka Chopkar coordinated this peer teaching under the guidance of Dr. Devashree Marotkar, Head of Department ETC and Dr.Vivek Kapur, Director of GHRIETN.

GLIMPSES OF HEARTZ FORUM

GLIMPSES OF INDUSTRIAL VISIT

HEARTZS organized an Institute Social Responsibility (ISR) activity at Z. P. School Jamtha on 25/01/2023

Student forum HEARTZS of Electronics & Telecommunication Department, GHRIET organized ISR activity at Z. P. School Jamtha, Nagpur on 18/01/2023 with permission of Dr. Vivek Kapur, Director, GHRIET, Nagpur and Dr. Devashree Marotkar, HOD, ETC Department. This activity explored technical and non-technical activities among young generation. The Idea behind this Institute Social Responsibility (ISR) activity is to enlighten the primary, secondary & higher secondary school students with different aspects that they face in their daily life or may face in future. These aspects includes daily habitat, Cleanliness in neighbourhood, Internet Security, Electricity and knowledge of computer, Different languages, Careers they can look to grow themselves in future along with fun games. HEARTZS committee also conducted a drawing competition among students and distributed prizes to winners. HEARTZ member's taught German language to 7th and 8th standard students they enjoy the session and learn basic alphabets, numbers from 1 to 10 and some sentence. All faculties of school appreciate HEARTZS members for their involvement in games and other technical activity. They also congratulate the whole HEARTZ committee and told them to keep replicating good work as they did here. At the end of day HEARTZ committee gave gifts to every student of school as token of love. This ISR activity was conducted by members of HEARTZ under supervision of Mr. Vipin Bhure and Ms. Shubhangini Ugale, HEARTZ Faculty In-charge of ETC department.

सपने

बहुत अजीब है जीवन के सपने
सुबह की तरह आते है और
शाम की तरह ढल जाते है।
सबकी होती है अलग अलग निगाह
सपने देखने की पर,
ये जो निगाह हैना वो उन्हें बस देखती
रहती है।
अगर पूरे करने हो सपने तो,
अकेले चलना पडता है
क्युकी, जैसे ढलता है सूरज धीरे धीरे,
वैसे ढलने लगते है जिंदगी से लोग अपने।।

वो बात नही है

जिंदा हु लेकिन वो बात नही है!
बहुत कुढ है दिल के अंदर पर,
दिल के जज्बात बता ने के हालत नही है।
करता तो हु कोशिश मिलने की पर,
अपनी बडे दिनों से मुलाकात नही है।
सोचता हु की कुछ हो जिंदगी में पर,
जिंदगी जल्दी बीत जाने वाली रात नही है।
जिंदा हु लेकिन वो बात नही है,
वो बात नही है।।

खुश था मैं जिंदगी में पहले,
अभी तो जिंदगी फीकी सी हो गई है।
समझते नही थे दिन और रात पहले,
अभी कटते दिन और तारे पहले जैसे।
बहुत मुश्किल है ऐसी जिंदगी बिताना,
क्युकी ऐसी जिंदगी की हमको आदत नही है।
जिंदा तो हु लेकिन वो बात नही है,
वो बात नही है।।

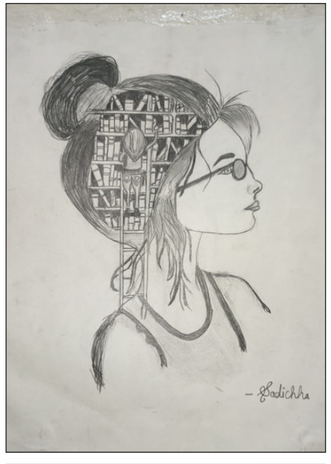

खो गए:-

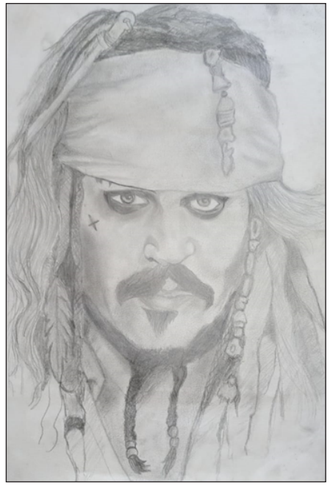

जिंदगी की मैफिलों में खो से गए हम,
वक्त का पहिया सवाल पुढता गया और
जवाबों की मैफिलो में खो से गए हम।
आती कहा थी रातो में हमें निंद क्युकी,
इन चांद सितारों की रातों में खो से गए हम।
रातों की निंद से कुछ तो बात थी,
चांद सितारों की ख्यालो से कुछ तो बात थी,
क्युकी इन रातो में किसीके ख्यालो
की मैफिलों में खो से गए हम।
खयाल क्या था, किसका था, कुछ पता नही।
यही सोचने में वक्त का पहिया घडी के काटे
चुभाते हुए बीतता गया,
और जवाबों की मैफिलो में खो से गए हम।
